Dear D. L. Chris Christensen:

The New Hampshire Department of Environmental Services, Air Resources Division (DES), has reviewed the actions taken by the Town of Merrimack in response to the Letter of Deficiency No. ARD 2001-017 (LOD). DES has determined that the specific issues addressed in the LOD have been resolved in a manner consistent with the NH Admin. Rules Env-A 100-3600, NH Rules Governing the Control of Air Pollution. Based upon DES's determination that compliance with the LOD has been achieved, DES issues this Letter of Compliance.

Please be advised that DES will continue to monitor the compliance status of the Town of Merrimack's Solid Waste Landfill. This letter does not provide relief against any existing or future violations. It is important that the Town of Merrimack be aware of and complies with all of the requirements stipulated in PIP Number 9281. Please feel free to contact DES should you have any questions regarding compliance with the terms and conditions of the Permit.
